#### Slide 1 Remembering and Praying for those who have died

Set up a prayer focus for All Souls beside the All Saints focus.

Take time to explain the difference between the feasts and how we celebrate them.

Teacher's Notes

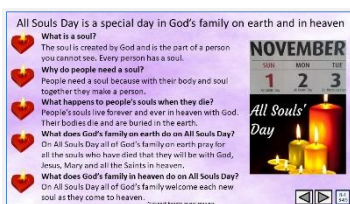

#### Slide 2 Learning Intentions

Read through the Learning Intentions with the class and identify some ideas/questions that might be explored in the lesson.

Create a focus for All Souls Day that can be used all through the month of November for the Holy Souls and explain who they are.

You could include photographs, memorial cards and funeral handouts and explain why people use these to help them remember the holy souls especially the ones they have known. Remember to use class prayer time every day to pray for the holy souls this month.

Teacher's Notes

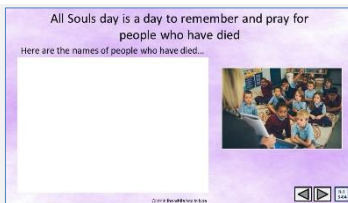

#### Slide 3 All Souls Day is a special day in God's family on earth and in heaven

Explain how every person has a body and he or she needs a soul to make them a person. Take time to read each question and read and talk about the answer.

Invite children to ask questions about their own souls.

Children could draw themselves with their body and their soul.

Teacher's Notes

God wants everyone to come and live in his house with many rooms we call heaven

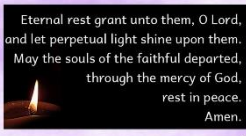

People who have been kind and loving people on earth will be with God in heaven  
Some people are not quite ready to be with God when they die  
These people need to become their best selves before meeting God because God is so good!  
The prayers of the people on earth help them to become their best selves  
When this happens they go to be in heaven with God, Jesus and all the Saints to be happy forever.

Teacher's Notes

Explain that we can help people to go to heaven by asking God to take them.

We can pray in different ways on All Souls day for people who have died

Eternal rest grant unto them, O Lord,  
and let perpetual light shine upon them.  
May the souls of the faithful departed,  
through the mercy of God,  
rest in peace.  
Amen.
