Slide 1 Holy Week is a Holy Time

Use this slide as a focussing strategy to introduce the resource topic. Read the title together and invite children to share something they know about Holy Week.

Create a Palm Sunday prayer focus the week before Palm Sunday using suitable images and symbols. Add a towel and a bowl, a cup and a bread roll and a cross and other symbols during Holy Week. Read the Holy Week bible stories during prayer time and let the children dramatise them and sing the songs they know related to them.

Give children some special 'close to Jesus' quiet times. You may like to create a special quiet place for children to go to look at Holy Week books and symbols.

Take time to look at the images on the slides and talk about each one with the children to give them a sense of what the events of Holy Week are about.

Explain that Easter Sunday is not really in Holy Week because it is the beginning of the Easter Season. Mention that Good Friday and Easter Sunday are holidays so children learn about them before they celebrate them. Encourage the children to share what they are learning about Holy Week with their family by using the Sharing our Learning worksheet (Slide 12, in Resource 3). You may like to give the children a copy of the parish bulletin and work through it with them marking the times of the Easter ceremonies they could attend.

Teacher's Notes

What is Holy Week?

Holy Week is the last week of Lent and it leads up to the great celebration of Easter.

Some of the most important things that Jesus did happened in Holy Week.

Holy Week is a very special week in the year for all the followers to be close to Jesus.

We follow Jesus so we remember what happened to him in Holy Week and we celebrate what he did for us.

We listen to the Holy Week stories about Jesus, we sing songs about him and we thank him for loving us so much.

Slide 3 What is Holy Week?

Find Holy Week on the Liturgical Calendar. Talk about when it occurs in the year and what seasons come before and after it. Read through each item as it appears and use it as a starter to lead into a discussion on Holy Week. Note the coloured text and talk about what the colour means.

Slide 11 Check Up

This formative assessment strategy will help teachers to identify how well children have achieved the Learning Intentions of the resource. Teachers can choose how they use the slide in their range of assessment options.

A worksheet of this slide is available for children in Years 5-8 to complete.

The last two items are feed forward for the teacher.

Note the Slide references will enable you to return to them and re-teach them if necessary.

Recording the children’s responses to these items is recommended as it will enable teachers to adjust their learning strategies for future resources and target the areas that need further attention.

Teacher’s Notes

Slide 12 Time for Reflection

MP3 is played to help create a reflective atmosphere and bring the children to stillness and silence as the teacher invites them to *think about how they can be close to Jesus during Holy Week and spend some quiet time talking to him when they go to bed.*
