Slide 1 Celebrating the Good Friday Liturgy

Use this slide as a focussing strategy to introduce the resource topic. Read the title together and invite children to share something they know about how the Church celebrates the events of Good Friday in the liturgy.

Teacher's Notes

Slide 2 Learning Outcomes

Read through the Learning Intentions with the class and identify some ideas/questions that might be explored in the resource.

Remember to add some new symbols to the prayer focus - wine glass, bread, bowl, water and towel, bible open at John 13:1-15.

Try to create a reflective mood for children to get a sense of moving towards Good Friday. Remind them about trying to recall what Jesus went through on these days and try to keep him company as he enters the last week of his life. Refer to Slide 8 for information on praying with the Stations of the Cross this week in class prayer.

Slide 4 The Liturgy of the Word

The Liturgy of the Word on Good Friday is the first of 3 parts of the solemn liturgy on that Day. It begins with a silent procession to the sanctuary. The story of the events of the first Good Friday according to the Gospel of St. John is read every year. Read the PINs to share the details of the liturgy which ends with communion which was placed on a side altar after the Mass of the

Lord’s Last Supper on Holy Thursday evening.

Slide 6 People receive Holy Communion

Children read each statement together and let it begin a conversation about this part of the Good Friday Liturgy.

Make a copy of the Worksheet “What have these to do with Good Friday?” on Slide 14 at the end of the PP for each child to complete and add to their RE Learning Journal.

Remind children of the idea of the “mood” of the liturgy that was talked about in Slide 8 Resource 1. Invite children to think about the Gospel reading of the Passion and Death of Jesus, the Veneration of the Cross and Holy Communion and what feelings come to them. Children may like to share these and put them into words they would like to share with Jesus. Children share words that describe the “mood” of the Good Friday Liturgy and comment on this.

After the people have received communion they leave the church in silence and the tabernacle door is left open. Do you know why this is?

Teacher’s Notes

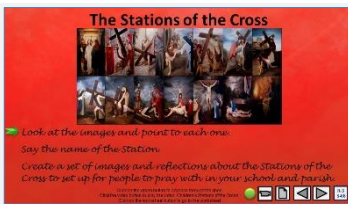

Slide 7 How children of your age can make Good Friday more meaningful for yourself and your family

Read and reflect on the slide title and the words on the image and what Jesus is meaning by these words and who he is talking to. Remind children that Good Friday is a public holiday in ANZ so they will be celebrating it with their families.

Children can suggest further ideas and these can be typed on to the list.

Think about the ideas and choose a few that could work with their family, even if they are not at home. Sing using the MP3 “Look at the Cross”.

Slide 8 The Stations of the Cross

Stations of the Cross to pray with.

The Stations of the Cross is an ancient devotion in the Catholic Church. Most Catholic church buildings feature images of the story of the suffering and death of Jesus, usually around the church walls. The Stations are often prayed by individuals or groups of people in Lent on Friday afternoons or evenings.

Photograph the Stations of the Cross in your church and make booklet for children to share with their family whānau.

Make a copy of the worksheet for each child to complete and add to their RE Learning Journal.

Put the names of the Stations of the Cross in order by putting the correct number on the line at the end of the title.

Add appropriate symbols in the frame of the worksheet.

Children's Stations of the Cross 9:52 minutes

This video offers an opportunity to pray the Stations of the Cross online. It's only 6 minutes long but you could pause the video at each station and take time to pray and reflect. It could be used for class prayer in Holy Week. It could also be sent home for families to pray with this week. If your school is near the church you could spend time praying with the Stations of the Cross there. This would draw children’s attention to them to ponder during future visits to the church.

Slide 9A Check Up

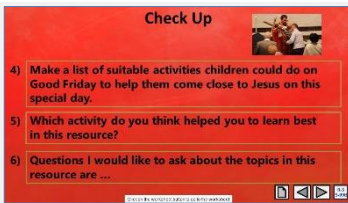

This formative assessment strategy will help teachers to identify how well children have achieved the Learning Intentions of the resource. Teachers can choose how they use the slide in their range of assessment options.

A worksheet of this slide is available for children in Years 5-8 to complete.

The last two items are feed forward for the teacher.

Recording the children's responses to these items is recommended as it will enable teachers to adjust their learning strategies for future resources and target the areas that need further attention.

Slide 10 Time for Reflection

The MP3 is played to help create a reflective atmosphere and bring the children to stillness and silence as the teacher invites them to *bring into their mind the events of the first Good Friday and recall that Jesus accepted this suffering so that our relationship with God might start again. Try to realise that it was on the first Good Friday Jesus' love for us changed human history –*

think about this and talk to Jesus about it.

Slide 11A Sharing our Learning about HOLY WEEK with family whānau

This slide provides some choices for children to show and share what they have learned. Examples could be photographed as evidence of children's learning.

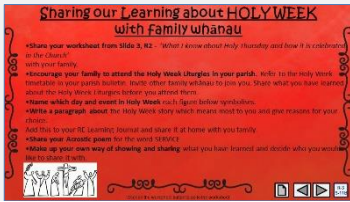

You may like to put a copy of the Sharing our Learning page in children's RE Learning Journals. You could talk through the choices using the slide and let children make their choice from their own copy.

Children could work on their choice at school and/or at home and you may like to set a day for sharing. Please let parents and whānau know what you expect them to do with this.

The slide is focussed on the 1 Achievement Objective which is covered in Year 5.

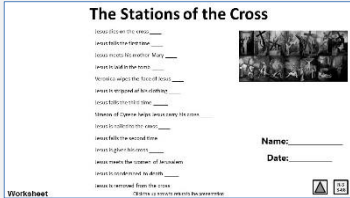

AO1) Children will be able to: develop an understanding of the liturgies of Holy Week, how Catholics can participate in them and how they make the events in the life of Jesus present today.
