Slide 10A Check Up

This formative assessment strategy will help teachers to identify how well children have achieved the Learning Intentions of the resource. Teachers can choose how they use the slide to assess each item. A worksheet of this slide is available as an option for children to complete. The last two items are feed forward for the teacher.

Recording the children's responses to these items is recommended as it will enable teachers to adjust their learning strategies for future resources and target the areas that need further attention.

Teacher's Notes

Slide 10B Check Up

Add the worksheet to the RE Learning Journal.

Teacher's Notes

Slide 11 Time for Reflection

The MP3 is played to help create a reflective atmosphere and bring the children to stillness and silence as the teacher invites them to *bring to their minds how they can use Lent to focus on changing something in their lives they know they need to. Think about one thing they can do to turn their lives back to God.*
