Slide 3 Lent is a Journey Hikoi with Jesus through the Cross to Easter

Read each post it note and make up a title for each one.

Identify what is hard about the Lenten hikoi?

How do people benefit when they do hard things?

How does doing hard things help people come to understand Jesus' hikoi to the cross? Explain that because Jesus did this for all people, we can be forgiven, we can start again and when we die that is not the end because Jesus' death earned for us a new life with God forever. This is why what Jesus did is so important to all his followers. This is what we mean when we say Jesus saved us from sin and death.

Slide 8 How is your LENTEN MISSION going?

Children could do this activity about half way through Lent. They could write one thing in the appropriate finger to show what they are doing for each Lenten action.

They could also give themselves small ticks to help them evaluate how they are going and in which area more action is needed.

Make up a rubric for this together.

Teacher's Notes

Slide 9A Check Up

This formative assessment strategy will help teachers to identify how well children have achieved the Learning Intentions of the resource.

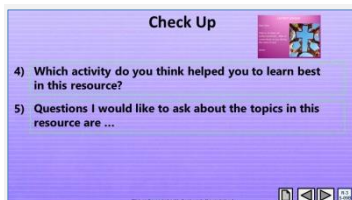

Teachers can choose how they use the slide to assess each item.

A worksheet of this slide is available as an option for children to complete.

The last two items are feed forward for the teacher.

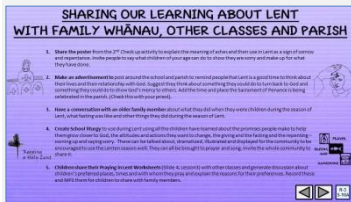

Recording the children's responses to these items is recommended as it will enable teachers to adjust their learning strategies for future resources and target the areas that need further attention.

Slide 10A Sharing our Learning about LENT with family whānau, other classes and parish

This slide provides some choices for children to show and share what they have learned. Examples could be photographed as evidence of children’s learning.

You may like to put a copy of the Sharing our Learning page in children’s RE Learning Journals. You could talk through the choices using the slide and let children make their choice from their own copy.

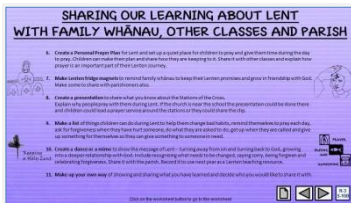

Children could work on their choice at school and/or at home and you may like to set a day for sharing. Please let parents and whānau know what you expect them to do with this.

The resource is focussed on the Yr. 5 LENT Achievement Objective which is covered in Resources 1-3.

Yr. 5 LENT AO Children will be able to:

recognise LENT as a time when Christians are reminded to repent, pray and do penance as they make a forty day journey to Easter.

Ask themselves if they are making an effort to make a real difference in their own life this Lent.*

Have they stopped doing something wrong and started doing something new that is right and loving?
