

## Sad Time - Glad Times

Dear Family-Whanau,

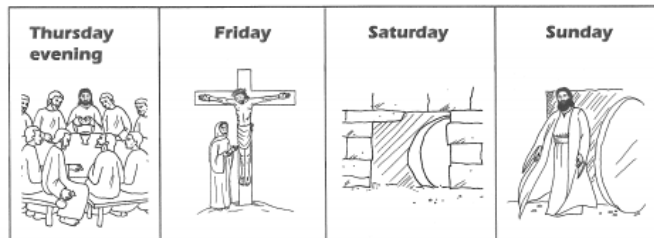

We are learning in our Religious Education class about Holy Week. We are remembering and reading about what happened to Jesus when he died on a cross and then rose again to life.

Please could you help me to complete the picture on this page. If we paste it on a piece of cardboard, we could fold it and stand it up where all our family-whanau can see it. It will help us to remember and pray during the three special days from Holy Thursday to Easter Sunday.

On Easter Sunday, could we put some flowers and a candle by the picture?

Thank you for helping me with this
