

Thinking about the Easter Story

There are 3 Gospel versions of the Resurrection story. One for each of the 3 years of the Liturgical Cycle. Year A is Matthew 28:1-10, Year B Mark 16:1-7, Year C Luke 24:1-12. One version is read at the Easter Vigil each year. Read one version and record the 5 important moments in the story.

- 1)
- 2)
- 3)
- 4)
- 5)

Make a human statue tableau of the 5 moments and photograph it, and display it in the school or parish foyer over the Easter season.

Look at the Resurrection images on the slide. Select one that captures the mystery and wonder of the event. Reflect on the image and record some words that drew you to this image.

Create your own art work of the Resurrection to be part of an Easter Art Exhibition. Try to express what the Resurrection means for you and all Christian people. Get some ideas from the Resurrection story on the slide.

Create a symbol of Easter in the frame
and write one new understanding
you have of it this year.
Celebrate it well!
