

Sharing our Learning about HOLY WEEK

Date: _____

Name: _____

- ❖ Find out the time of the HOLY WEEK ceremonies in your parish and pastoral area and talk to your family about which ones you could attend. Make a memo for your family and put it on the fridge.
- ❖ Have a conversation with a family member about the Mass of the Chrism and talk about the use of the holy oils in the Sacraments and what anointing means. Share an experience you have had or seen of anointing.
- ❖ Share your Resurrection Art work and symbol with your family and share what you have learned about the meaning of Easter this year.
- ❖ Make an Easter power point to show some younger family members over the Easter break. Include pictures and captions about the story of Jesus' Resurrection.
Explain why eggs are an Easter symbol – share some.

- ❖ Make up your own way of showing and sharing what you have learned and decide whom you would like to share it with.

- ❖ Use the Liturgical Year Calendar to illustrate what you have learned about the Liturgical Year and what you know about Holy Thursday, Good Friday, Holy Saturday and Easter Sunday and share it with a family member.
- ❖ Make up a small focus at home to draw your family's attention to Holy Week. You could use something purple and red and some symbols e.g. a wine glass, a bread roll, a red rose/flower, a bible open at the Triduum stories, a small bowl and cloth. On Easter Sunday use a yellow cloth and add a round stone and some Easter eggs.
- ❖ Make an Easter Garden to share at home.
For your own garden you will need:

- ❖ A tray.
- ❖ Soil.
- ❖ Grass seeds or moss.
- ❖ Small stones.
- ❖ A large stone.
- ❖ A piece of small white cloth.
- ❖ A small flower pot.
- ❖ 6 sticks to make into 3 crosses.
