

# Sharing our Learning about LENT with family whānau

❖ **Share your Living Lent worksheet** with family whānau and talk about something you could do as a family for Lent.  
(Resource 1 Slide 5)

❖ **Make flyers** to promote the importance of prayer in Lent.  
Share this idea by placing the flyers around your school and parish gathering spaces.

❖ **Create a drama** to illustrate a variety of ways people of your age share in the Lenten practice of almsgiving. Present this at assembly.  
Include an explanation about how almsgiving is not just about giving money but also about giving yourself.

❖ **Make a comic strip** about what people of your age can fast from such as: meanness, put downs, laziness, favourite foods and technology. Share your comic strips with family whānau.

❖ **Share your one minute elevator pitch** on how Lent enables Christians to recommit their lives to God through prayer, fasting and almsgiving with other classes and in your parish.

JOURNEY OF Faith
